## Good readers have a large vocabulary.

Knowing lots of words helps children better understand what they read. You can help your children learn lots of words by:

- Having plenty of conversations. Take turns talking. It is important for you to ask questions and listen to what your children say in response.
- Read together! A lot!
- Make connections. Connect what you are reading in books to their lives. "Yes, Grandma has a black cat, too."
- Repetition. Children often love to read the same book over and over. This is a good thing as repeated readings help build vocabulary.

### ANTS GO MARCHING

The ants go marching one by one, hurrah, hurrah.  
The ants go marching one by one, hurrah, hurrah.  
The ants go marching one by one,  
The little one stops to eat a plum.  
And they all go marching down,  
To the ground, to get out of the rain.  
BOOM BOOM BOOM

Two by two. Tie its shoe.  
Three by three. Climb a tree.  
Four by four. Shut the door.  
Five by five. Take a dive.  
Six by six. Pick up sticks.  
Seven by seven. Tie a ribbon.  
Eight by Eight. Close the gate.  
Nine by Nine. Check the time.  
Ten by Ten. Say THE END.

### THE FARMER PLANTS THE SEEDS

*Sing to the tune "The Farmer in the Dell"*

The Farmer plants the seeds,  
The Farmer plants the seeds, *(Pretend to plant seeds)*  
Hi, ho, the dairy-o,  
The farmer plants the seeds.  
The sun comes out to shine... *(Make large circle with arms)*  
The rain begins to fall...  
*(Hands flutter up and down)*  
The seeds begin to grow... *(Stand up tall)*  
The farmer picks the crops... *(Pretend to pick crops)*  
We all sit down to eat...  
*(Pretend to eat)*
